

# ALL KINDS OF LOVE

**Asexual:** Does not experience sexual attraction towards anyone

**Demisexual:** Experience attraction towards someone only after developing an emotional bond with this person

**Heterosexual:** Experience attraction towards opposite gender

**Homosexual:** Experience attraction towards same gender

**Bisexual:** Experience attraction to same gender as well as another gender than their own

**Pansexual:** Experience attraction to all genders

**Omnisexual:** Experience attraction regardless of gender

**Polysexual:** Experiences attraction to multiple genders, but not necessarily all genders
